Transportation

(1) From Narita Airport to Workshop place / Hotels (See the map below):
We recommend taking Narita Express train (JR) to Tokyo Station, then transfer to JR Yamanote Line going to Tamachi Station, which is the nearest JR station to Keio University and Miyako Inn.
Or, take Airport Express Skyliner train (Keisei) to Nippori or Ueno Station, then transfer to JR Yamanote Line going to Tamachi Station.
It will take about 1 hour 30 minutes from Narita Airport to Tamachi Station by both trains.

Alternatives are: using Airport Shuttle Bus service directly connecting between Narita Airport and big hotels in the Shiba Area. The buses stop at Miyako Inn, one of the nearest hotels to Keio University. (However, the buses are not frequently available.)

Or, take Airport Limousine service to Tokyo City Air Terminal (TCAT), then take a taxi to your hotel. Airport Shuttle Bus and Airport Limousine have services to many hotels in downtown Tokyo area.
Please note that the buses may be delayed by traffic jam.

(2) From Tamachi Station or Miyako Inn to Keio University:
Keio University is located within walking distance from Tamachi Station (JR). It will take 8 minutes on foot.

Miyako Inn is on the Dai-ichi Keihin Street. It is 8 minutes walk to Tamachi Station and 10 minutes walk to Keio University.
